B. Nonacademic and extracurricular services and activities may include counseling services, athletics, transportation, health services, recreational activities, special interest groups or clubs sponsored by the public agency, referrals to agencies that provide assistance to individuals with disabilities, and employment of students, including both employment by the public agency and assistance in making outside employment available.

Subchapter H. Students with Disabilities Enrolled by their Parents in Private Schools when FAPE is an Issue

§148. Placement of Students by Parents when FAPE is at Issue

A. General. These regulations do not require an LEA to pay for the cost of the education, including special education and related services, of a student with a disability at a private school or facility if that agency made a FAPE available to the student, and the parents elected to place the student in a private school or facility. However, the public agency shall include that student in the population whose needs are addressed consistent with §§131 through 144.

B. Disagreements about FAPE. Disagreements between the parents and a public agency regarding the availability of a program appropriate for the student, and the question of financial reimbursement, are subject to the due process procedures in §§505 through 520.

C. Reimbursement for Private School Placement. If the parents of a student with a disability, who previously received special education and related services under the authority of a public agency, enroll the student in a private preschool, elementary school, or secondary school without the consent of or referral by the public agency, a court or a hearing officer may require the agency to reimburse the parents for the cost of that enrollment if the court or hearing officer finds that the agency had not made FAPE available to the student in a timely manner prior to that enrollment and that the private placement is appropriate. A parental placement may be found to be appropriate by a hearing officer or a court even if the placement does not meet the state standards that apply to education provided by the LEAs and the LDE.

D. Limitation on Reimbursement. The cost of reimbursement described in Subsection C of this Section may be reduced or denied:

1. if:
 - a. at the most recent IEP Team meeting that the parents attended prior to removal of the student from the public agency, the parents did not inform the IEP Team that they were rejecting the placement proposed by the public agency to provide FAPE to the student, including stating their concerns and their intent to enroll their child in a private school at public expense; or
 - b. at least 10 business days (including any holidays that occur on a business day) prior to the removal of the student from the public school, the parents did not give written notice to the public agency of the information described in Subparagraph D.1.a of this Section;
2. if, prior to the parents' removal of the student from the public school, the public agency informed the parents, through the notice requirements described in §504.A.1, of its intent to evaluate the student (including a statement of the purpose of the evaluation that was appropriate and reasonable), but the parents did not make the student available for the evaluation; or
3. if, upon a judicial finding of unreasonableness with respect to actions taken by the parents.

E. Exception. Notwithstanding the notice requirement in Paragraph D.1 of this Section, the cost of reimbursement:

1. shall not be reduced or denied for failure to provide the notice if:

a. the school prevented the parents from providing the notice;

b. the parents had not received notice, pursuant to §505, of the notice requirement in Paragraph D.1 of this Section; or

c. compliance with Paragraph D.1 of this Section would likely result in physical harm to the student; and

2. may, in the discretion of the court or a hearing officer, not be reduced or denied for failure to provide this notice if:

a. the parents are not literate or cannot write in English; or

b. compliance with Paragraph D.1 of this Section would likely result in serious emotional harm to the student.

a. is under the general supervision of the persons responsible for educational programs for students with disabilities in the state; and

b. meets the educational standards of the LDE (including the requirements of these regulations);

3. in carrying out these regulations with respect to homeless children, the requirements of Subtitle B of Title VII of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.) are met.

B. The LDE adopts written procedures in *Bulletin 1922—Compliance Monitoring Procedures*, as well as the provisions of §601, to ensure that it complies with the monitoring and enforcement requirements in §§601 through 606.

C. Part B of the IDEA does not limit the responsibility of agencies other than educational agencies for providing or paying some or all of the costs of FAPE to students with disabilities in the state.

D. Notwithstanding Subsection A of this Section, the governor (or another individual pursuant to state law) may assign to any public agency in the state the responsibility of ensuring that the requirements of Part B of the IDEA are met with respect to students with disabilities who are convicted as adults under state law and incarcerated in adult prisons.

The governor of Louisiana or the designee of the governor shall ensure that an interagency agreement or other mechanism for interagency coordination is in effect between each non-educational public agency described in Subsection B of this Section and the LDE, in order to ensure that all services described in Subsection B of this Section that are needed to ensure FAPE are provided, including the provision of these services during the pendency of any dispute under Paragraph A.3 of this Section. The financial responsibility of each non-educational public agency described in Subsection B of this Section, including the state Medicaid agency and other public insurers of students with disabilities, shall precede the financial responsibility of the LEA (or the state agency responsible for developing the student's IEP);

2. the conditions, terms, and procedures under which an LEA shall be reimbursed by other agencies;

3. procedures for resolving interagency disputes (including procedures under which LEAs may initiate proceedings) under the agreement or other mechanism to secure reimbursement from other agencies or otherwise implement the provisions of the agreement or mechanism;

4. policies and procedures for agencies to determine and identify the interagency coordination responsibilities of each agency to promote the coordination and timely and appropriate delivery of services described in Paragraph B.1 of this Section.

B. Obligation of Non-Educational Public Agencies

1.a. If any public agency other than an educational agency is otherwise obligated under federal or state law, or assigned responsibility under state policy or pursuant to Subsection A of this Section, to provide or pay for any services that are also considered special education or related services (such as, but not limited to, services described in §905 relating to assistive technology devices, assistive technology services, related services, supplementary aids and services, and transition services) that are necessary for ensuring FAPE to students with disabilities within the state, the public agency shall fulfill that obligation or responsibility, either directly or through contract or other arrangement pursuant to Subsection A of this Section or an agreement pursuant to Subsection C of this Section.

b. A non-educational public agency described in Subparagraph B.1.a of this Section may not disqualify an eligible service for Medicaid reimbursement because that service is provided in a school context.

2. If a public agency other than an educational agency fails to provide or pay for the special education and related services described in Paragraph B.1 of this Section, the LEA (or state agency responsible for developing the student's IEP) shall provide or pay for these services to the student in a timely manner. The LEA or state agency is authorized to claim reimbursement for the services from the non-educational public agency that failed to provide or pay for these services and that agency shall reimburse the LEA or state agency in accordance with the terms of the interagency agreement or other mechanism described in Subsection A of this Section.

C. Special Rule. The requirements of Subsection A of this Section may be met through:

1. state statute or regulation;

2. signed agreements between respective agency officials that clearly identify the responsibilities of each agency relating to the provision of services; or

3. other appropriate written methods as determined by the governor or designee and approved by the secretary.

D. Students with Disabilities Who Are Covered by Public Benefits or Insurance.

1. A public agency may use the Medicaid or other public benefits or insurance programs in which a student participates to provide or pay for services required under these regulations, as permitted under the public benefits or insurance program, except as provided in Paragraph D.2 of this Section.

2. With regard to services required to provide FAPE to an eligible student under these regulations, the public agency:

a. may not require parents to sign up for or enroll in public benefits or insurance programs in order for their child to receive FAPE under part B of the IDEA;

b. may not require parents to incur an out-of-pocket expense such as the payment of a deductible or co-pay amount incurred in filing a claim for services provided pursuant to, these regulations, but pursuant to Paragraph G.2 of this Section, may pay the cost that the parents otherwise would be required to pay;

c. may not use a student's benefits under a public benefits or insurance program if that use would:

i. decrease available lifetime coverage or any other insured benefit;

ii. result in the family paying for services that would otherwise be covered by the public benefits or insurance program and that are required for the student outside of the time the student is in school;

iii. increase premiums or lead to the discontinuation of benefits or insurance; or

iv. risk loss of eligibility for home and community-based waivers, based on aggregate health-related expenditures; and

d.i. shall obtain parental consent as defined in §905, to access public benefits or insurance one time for the specific services and duration of services identified in a

student's IEP unless IEP revisions require additional services that would result in additional charges to the student's or parents' public benefits or public insurance. Such consent to access public benefits may be obtained at an IEP meeting or at some time after the IEP is developed; and

ii. notify parents that the parents' refusal to allow access to their public benefits or insurance does not relieve the public agency of its responsibility to ensure that all required services are provided at no cost to the parents.

E. Students with Disabilities Who Are Covered by Private Insurance

1. With regard to services required to provide FAPE to an eligible student under these regulations, a public agency may access the parents' private insurance proceeds only if the parents provide informed consent as defined in §905.

2. Each time the public agency proposes to access the parents' private insurance proceeds, the agency shall:

a. obtain parental consent in accordance with Paragraph E.1 and D.2.d.i of this Section; and

b. inform the parents that their refusal to permit the public agency to access their private insurance does not relieve the public agency of its responsibility to ensure that all required services are provided at no cost to the parents.

F. Use of Part B Funds

1. If a public agency is unable to obtain parental consent to use the parents' private insurance, or public benefits or insurance when the parents would incur a cost for a specified service required under these regulations, to ensure FAPE, the public agency may use its Part B funds to pay for the service.

2. To avoid financial cost to parents who otherwise would consent to use private insurance, or public benefits or insurance if the parents would incur a cost, the public agency may use its Part B funds to pay the cost that the parents otherwise would have to pay to use the parents' benefits or insurance (e.g., the deductible or co-pay amounts).

G. Proceeds from Public Benefits or Insurance or Private Insurance

1. Proceeds from public benefits or insurance or private insurance shall not be treated as program income for purposes of 34 CFR 80.25.

2. If a public agency spends reimbursements from federal funds (e.g., Medicaid) for services under these regulations, those funds shall not be considered "state or local" funds for purposes of the maintenance of effort provisions in 34 CFR 300.163 and 300.203.

H. Construction. Nothing in these requirements should be construed to alter the requirements imposed on a state Medicaid agency, or any other agency administering a public benefits or insurance program by federal statute, regulations or policy under title XIX, or title XXI of the Social Security Act, 42 U.S.C. 1396 through 1396v and 42 U.S.C. 1397aa through 1397jj, or any other public benefits or insurance program.

E. Rule of Construction. D. Explanation to IEP Teams. The LDE (or in the case of a district-wide assessment, an LEA) shall provide IEP Teams with a clear explanation of the differences between assessments based on grade-level academic achievement standards and those based on modified or alternate academic achievement standards, including any effects of state or local policies on the student's education resulting from taking an alternate assessment based on alternate or modified academic achievement standards (such as whether only satisfactory performance on a regular assessment would qualify a student for a regular high school diploma).

3. the number of students with disabilities, if any, participating in alternate assessments based on modified academic achievement standards;

5. compared with the achievement of all students, including students with disabilities, the performance results of students with disabilities on regular assessments, alternate assessments based on grade-level academic achievement standards, alternate assessments based on modified academic achievement standards, and alternate assessments based on alternate academic achievement standards if:

a. the number of students participating in those assessments is sufficient to yield statistically reliable information; and

b. reporting that information will not reveal personally identifiable information about an individual student on those assessments.

3. shall be used to supplement state, local, and other federal funds and not to supplant those funds.

B. Excess Cost Requirement

1. General

a. The excess cost requirement prevents an LEA from using funds provided under Part B of the IDEA to pay for all of the costs directly attributable to the education of a

student with a disability, subject to Subparagraph B.1.b of this Section.

b. The excess cost requirement does not prevent an LEA from using Part B funds to pay for all of the costs directly attributable to the education of a student with a disability in any of the ages of 3, 4, 5, 18, 19, 20, or 21, if no local or state funds are available for non-disabled students of these ages. IDEA Part B funds received shall not be commingled with state funds.

2.a. An LEA meets the excess cost requirement if it has spent at least a minimum average amount for the education of each of its students with disabilities before funds under Part B of the IDEA are used.

b. The amount described in Subparagraph B.2.a is determined in accordance with the definition of *excess cost* in §905 and that amount may not include capital outlay or debt service.

3. If two or more LEAs jointly establish eligibility in accordance with §223, the minimum average amount is the average of the combined minimum average amounts determined in accordance with the definition of *excess costs* in §905 in those agencies for elementary or secondary school students, as the case may be.

§204. Maintenance of Effort

A. General. Except as provided in §§205 and 206, funds provided to an LEA under Part B of the IDEA shall not be used to reduce the level of expenditures for the education of students with disabilities made by the LEA from local funds below the level of those expenditures for the preceding fiscal year.

B. Standard

1. Except as provided in Subparagraph B.2 of this Section, the LDE shall determine that an LEA complies with Subsection A of this Section for purposes of establishing the LEA's eligibility for an award for a fiscal year if the LEA budgets, for the education of students with disabilities, at least the same total or per capita amount from either of the following sources as the LEA spent for that purpose from the same source for the most recent prior year for which information is available:

a. local funds only.

b. the combination of state and local funds.

2. An LEA that relies on Subparagraph B.1.a of this Section for any fiscal year shall ensure that the amount of local funds it budgets for the education of students with disabilities in that year is at least the same, either in total or per capita, as the amount it spent for that purpose in the most recent fiscal year for which information is available and the standard in Subparagraph B.1.a of this Section was used to establish its compliance with this Section.

3. The LDE may not consider any expenditures made from funds provided by the federal government for which the LDE is required to account to the federal government or

for which the LEA is required to account to the federal government directly or through the LDE in determining an LEA's compliance with the requirement in Subsection A of this Section.

§205. Exception to Maintenance of Effort

A. Notwithstanding the restriction in §204.A, an LEA may reduce the level of expenditures by the LEA under part B of the IDEA below the level of those expenditures for the preceding fiscal year if the reduction is attributable to any of the following:

1. the voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel;

2. a decrease in the enrollment of students with disabilities;

3. the termination of the obligation of the agency, consistent with these regulations, to provide a program of special education to a particular student with a disability that is an exceptionally costly program, as determined by the LDE, because the student:

a. has left the jurisdiction of the agency;

b. has reached the age at which the obligation of the agency to provide FAPE to the student has terminated; or

c. no longer needs the program of special education.

B. The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.

C. The assumption of cost by the high cost fund operated by the LDE under 34 CFR 300.704(c).

§230. LEA Jurisdiction

A. Each LEA shall identify, locate, and evaluate each student suspected of having a disability (regardless of the severity of the disability), 3 through 21 years of age, residing within its jurisdiction.

B. Each LEA is responsible for making available a free appropriate public education to each eligible student with a disability, 3 through 21 years of age, who resides within its jurisdiction except those students enrolled by their parents in a private school program. This responsibility includes the provision and cost of any program on the continuum of services a student requires, including residential placement.

C. Each LEA is responsible for making available a free appropriate public education to each eligible student with a disability, 3 through 21 years of age, who are non-residents of the LEA but located within its jurisdiction for any reason, except for those students enrolled by their parents in a private school program. Funding for services for these students is established in this Section.

D. Jurisdiction is the right and obligation of an LEA to exercise authority over all students residing within its geographic area and over each student placed by the LEA in an educational program within the geographic area of another LEA or in an approved educational program out of the state.

1. For city/parish school systems, the geographic area is the boundary of the school district as defined in the Louisiana Revised Statutes.

2. For SSD, the geographic area is the boundary of the State-operated treatment and care residential facilities.

3. For a state board special school, the geographic area is the boundary of the educational facility.

4. For a charter school that is considered an LEA, the geographic area is the boundary of the educational facility.

5. If an LEA places a student in another LEA or an approved private school, the student so placed remains within the jurisdiction of the placing LEA. The responsibility for a FAPE remains with the placing LEA.

a. All students sent to a board special school by another LEA are considered "placed" by the sending LEA.

E. Students who are eligible to receive a free appropriate public education are described as follows.

1. LEAs shall make available a free public education to all students with disabilities located in their jurisdictions and reaching the age of three years, regardless of when the birthday occurs during the school year; an IEP shall be in effect by the student's third birthday. If a student's third birthday occurs during the summer, the student's IEP team shall determine the date when services under the IEP will begin. At the discretion of the LEA and with parental approval, a FAPE may be provided to an eligible student before age three years if his or her third birthday occurs during the school year.

2. A student with a disability shall remain eligible for services until reaching age 22 unless the student has graduated from high school with a regular high school diploma. A student with a disability whose twenty-second birthday occurs during the course of the regular school year (as defined by the LEA) may be allowed to remain in school for the remainder of the school year.

3. LEAs are required to make available a free appropriate public education to students expelled, suspended or otherwise removed from their current educational placements for more than 10 school days in a school year, in accordance with these regulations.

4. A student with a disability who needs special education and related services shall remain eligible even though he or she is advancing from grade to grade.

F. Funding for public school special education and related services as provided by an LEA shall be as follows.

1. Each LEA shall provide special education and related services to students with exceptionalities who are located within its geographical boundaries, including students who are placed in a private residential facility or an intermediate care facility for the developmentally disabled for any reason by any individual or agency; however, the LEA shall pay the cost of such services only for students who are residents within the geographical boundaries of the LEA. Each LEA shall provide child find and evaluation services to nonresident students who are parentally placed in a private elementary or secondary school in the LEA's jurisdiction.

2. If an LEA provides special education and related services to a student with an exceptionality who is a resident of the state of Louisiana and is located within the geographical boundaries of an LEA but is not a resident thereof, including students who are placed in a private residential facility or an intermediate care facility for the developmentally disabled for any reason by any individual or agency, the responsibility for the student's special education and related service is divided between the student's LEA of residence and the LEA where the student is located as follows:

a. the LEA where the student is located is responsible for providing special education and related services to the student; and

b. the cost of special education and related services shall be reimbursed by the LEA within the boundaries in which the student resides or in which a student who attains majority resides.

3. If a student with an exceptionality is living in a private residential facility in this state but the student is not a

resident of this state, the LEA providing special education and related services to that student shall be reimbursed by the residential facility for the cost of providing those services.

4. The state shall be responsible for funding the costs of special education and related services for students enrolled in the special school district and special schools, with the exception of daily transportation costs for day students at board special schools if the students are not placed by parent option. Those transportation costs remain the responsibility of the sending LEA.

5. The Department of Education and LEAs may, under policies established by the State Board of Elementary and Secondary Education, enter into purchase of service agreements or contracts with other public or non-public agencies to provide special education and related services.

6. This Section is not applicable to students who are adjudicated delinquent, or are members of a family in need of services by a court or is in the custody of the Office of Juvenile Justice as a result of any such adjudication and is assigned by the Office of Juvenile Justice to a community-based program or facility, pursuant to R.S. 17:100.1.

G. If a student's LEA of residence is required to fund a student's special education and related services while the student is located in another LEA in the State of Louisiana, the billing must be implemented as follows.

1. The LEA providing the special education and related services will claim the student on its student count for purposes of the Minimum Foundation Program (MFP) and any other available state or federal funding for which the student is eligible.

2. The LEA providing the special education and related services will determine the cost of the student's special education and related services by prorating all services among all participating students in each setting. Those costs include, but are not limited to, the following.

a. School bus transportation costs shall be the student's prorated share of the LEA's actual cost of the school bus, driver, and bus aide(s).

b. Classroom costs shall be the student's prorated share of the cost of the teacher, paraprofessional(s), and aide(s).

c. Related services costs shall be the hourly rate or a portion thereof, of a related service provider's salary or fee for the number of hours or minutes the student actually received services.

d. If the student does not qualify for a free breakfast or lunch pursuant to the United States Department of Agriculture free or reduced nutrition programs, the cost of any meals and snacks shall be the cost of the meals and snacks charged to all students.

e. The actual cost of any assistive technology or other required equipment, supplies, and supports can be billed to the LEA of residence.

f. Indirect costs cannot be included in the billings sent to the LEA of residence.

3. The LEA will subtract the total costs for the student, as enumerated herein, from the total state and federal funding generated by the student's enrollment. The difference may be billed to the student's LEA of residence.

4. Each LEA which intends to bill a non-resident student's Louisiana LEA of residence must send a written notification to the LEA of residence no later than 90 school days prior to sending a bill.

H. "Resident" as it applies to a student with an exceptionality for purposes of this Section shall mean any one of the following.

1. The student is a resident within the geographical boundaries of the local education agency in which the student's parent or parents have their legal residence, unless the parent or parents have relinquished custody of the student. In such case, the student is a resident within the geographical boundaries of the LEA in which the student's legal custodian or custodians have their legal residence.

2. If a student's parents are divorced, the student is a resident of the LEA in which the student's domiciliary or custodial parent has his or her legal residence.

3. If a student is in foster care, the student is a resident of the LEA in which the parent or parents with whom the student lived immediately prior to being placed into foster care have their legal residence.

c. the rights of the parent to make educational decisions have been subrogated by a judge in accordance with state law and consent for an initial evaluation has been given by an individual appointed by the judge to represent the student.

3.a. If the parent of a student enrolled in a public school or seeking to be enrolled in a public school does not provide consent for initial evaluation under Paragraph A of this Section, or the parent fails to respond to a request to provide consent, the public agency may, but is not required to, pursue the initial evaluation of the student by utilizing the procedural safeguards in Chapter 5 of these regulations (including the mediation procedures under §506 or the due process procedures under §§507 through 516), if appropriate.

c. is not required to convene an IEP Team meeting or develop an IEP under §320 and §324 for the student.

4. If, at any time subsequent to the initial provision of special education and related services, the parent of the student revokes consent in writing for the continued provision of special education and related services, the public agency:

a. may not continue to provide special education and related services to the student, but must provide prior written notice in accordance with §504 before ceasing the provision of special education and related services;

b. may not use the procedures in Chapter 5 of these regulations (including the mediation procedures under §506 or the due process procedures under §§507 through 516), in order to obtain agreement or a ruling that the services may be provided to the student;

c. will not be considered to be in violation of the requirement to make FAPE available to the student because

1. Subject to Paragraph C.2 of this Section, each public agency:

a. shall obtain informed parental consent, in accordance with §301.A, prior to conducting any reevaluation of a student with a disability;

b. if the parent refuses to consent to the reevaluation, the public agency may, but is not required to, pursue the reevaluation by using the consent override procedures described in Paragraph A.4 of this Section;

c. the public agency does not violate its obligation under §111 and §§302 through 308 if it declines to pursue the evaluation or reevaluation;

2. The informed parental consent described in Paragraph C.1 of this Section need not be obtained if the public agency can demonstrate that:

a. it made reasonable efforts to obtain such consent; and

b. the student's parent has failed to respond.

D. Other Consent Requirements

1. Parental consent is not required before:

a. reviewing existing data as part of an evaluation or a reevaluation; or

b. administering a test or other evaluation that is administered to all students unless, before administration of that test or evaluation, consent is required of parents of all students.

3.a. If a parent of a student who is home schooled or placed in a private school by the parents at their own expense does not provide consent for the initial evaluation or the reevaluation, or the parent fails to respond to a request to provide consent, the public agency may not use the consent override procedures (described in Paragraphs A.3 and C.1 of this Section); and

b. the public agency is not required to consider the student as eligible for services under §§132 through 144.

Subchapter B. Evaluations and Reevaluations

§302. Initial Evaluations

A. General. Each public agency shall conduct a full and individual initial evaluation, in accordance with §§306 and 307, before the initial provision of special education and related services to a student with a disability under these regulations.

B. Request for Initial Evaluation. Consistent with the consent requirements in §301, either a parent of a student or a public agency may initiate a request for an initial evaluation to determine if the student is a student with a disability.

C. Procedures for Initial Evaluation. The initial evaluation:

1.a. shall be conducted within 60 business days of receiving parental consent for the evaluation with additional appropriate extensions as established in *Bulletin 1508—The Pupil Appraisal Handbook*; and

2. shall consist of procedures:

a. to determine if the student is a student with a disability as defined in §905; and

b. to determine the educational needs of the student.

D. Exception. The timeframe described in Paragraph C.1 of this Section does not apply to a public agency if:

1. the parent of a student repeatedly fails or refuses to produce the student for the evaluation; or

2. a student enrolls in a school of another public agency after the relevant timeframe in Paragraph C.1 of this Section has begun, and prior to a determination by the student's previous public agency as to whether the student is a student with a disability as defined in §905.

E. The exception in Paragraph D.2 of this Section applies only if the subsequent public agency is making sufficient progress to ensure a prompt completion of the evaluation, and the parent and subsequent public agency agree to a specific time when the evaluation will be completed.

1. if the public agency determines that the educational or related services needs, including improved academic achievement and functional performance, of the student warrant a reevaluation; or

2. if the student's parent or teacher requests a reevaluation.

B. Limitation. A reevaluation conducted under Subsection A of this Section:

1. may occur not more than once a year, unless the parent and the public agency agree otherwise; and

B. Conduct of Evaluation. In conducting the evaluation, the public agency shall:

1. use a variety of assessment tools and strategies to gather relevant functional, developmental, and academic information about the student, including information provided by the parent, that may assist in determining:

a. whether the student is a student with a disability as defined in §905; and

b. the content of the student's IEP, including information related to enabling the student to be involved in and progress in the general education curriculum (or for a preschool student, to participate in appropriate activities);

2. not use any single measure or assessment as the sole criterion for determining whether a student is a student with a disability and for determining an appropriate educational program for the student; and

3. use technically sound instruments that may assess the relative contribution of cognitive and behavioral factors, in addition to physical or developmental factors.

C. Other Evaluation Procedures. Each public agency shall ensure that:

1. assessments and other evaluation materials used to assess a student under these regulations:

a. are selected and administered so as not to be discriminatory on a racial or cultural basis;

c. are used for the purposes for which the assessments or measures are valid and reliable;

d. are administered by trained and knowledgeable personnel; and

e. are administered in accordance with any instructions provided by the producer of the assessments;

2. assessments and other evaluation materials include those tailored to assess specific areas of educational need and not merely those that are designed to provide a single general intelligence quotient;

3. assessments are selected and administered so as best to ensure that if an assessment is administered to a student with impaired sensory, manual, or speaking skills, the assessment results accurately reflect the student's aptitude or achievement level or whatever other factors the test purports to measure, rather than reflecting the student's impaired sensory, manual, or speaking skills (unless those skills are the factors that the test purports to measure);

4. the student is assessed in all areas related to the suspected disability, including, if appropriate, health, vision, hearing, social and emotional status, general intelligence, academic performance, communicative status, and motor abilities;

5. assessments of students with disabilities who transfer from one public agency to another public agency in the same school year are coordinated with those students' prior and subsequent schools, as necessary and as expeditiously as possible, consistent with §302.D.2 and E, to ensure prompt completion of full evaluations;

6. in evaluating each student with a disability under §§305 through 307, the evaluation is sufficiently comprehensive to identify all of the student's special education and related services needs, whether or not commonly linked to the disability category in which the student has been classified;

7. assessment tools and strategies that provide relevant information that directly assists persons in determining the educational needs of the student are provided.

AUTHORITY NOTE: Promulgated in accordance with R.S.17:1941 et seq.

1. If the IEP Team and other qualified professionals, as appropriate, determine that no additional data are needed to determine whether the student continues to be a student with a disability, and to determine the student's educational needs, the public agency shall notify the parents of:

a. that determination and the reasons for the determination; and

b. the right of the parents to request an assessment to determine whether the student continues to be a student with a disability, and to determine the student's educational needs.

2. shall permit the use of a process based on the student's response to scientific, research-based intervention; and

3. may permit the use of other alternative research-based procedures for determining whether a student has a specific learning disability, as defined in §905.

- b. in the case of a student with limited English proficiency, consider the language needs of the student as those needs relate to the student's IEP;

- c. in the case of a student who is blind or visually impaired, provide for instruction in Braille and the use of Braille unless the IEP Team determines, after an evaluation of the student's reading and writing skills, needs, and appropriate reading and writing media (including an evaluation of the student's future needs for instruction in Braille or the use of Braille) that instruction in Braille or the use of Braille is not appropriate for the student;

- d. consider the communication needs of the student, and in the case of a student who is deaf or hard-of-hearing, consider the student's language and communication needs, opportunities for direct communications with peers and professional personnel in the student's language and communication mode, academic level, and full range of needs, including opportunities for direct instruction in the student's language and communication mode; and

- e. consider whether the student requires assistive technology devices and services based on assessment/evaluation results; and

- f. consider health needs of students with disabilities to be met during the school day based on a health assessment.

3. Requirement with Respect to Regular Education Teacher. A regular education teacher of a student with a disability, as a member of the IEP Team, shall, to the extent appropriate, participate in the development of the IEP of the student, including the determination of:

- b. supplementary aids and services, program modifications, and support for school personnel consistent with §320.A.4.

4. Agreement

- a. In making changes to a student's IEP after the annual IEP Team meeting for a school year, the parent of a student with a disability and the public agency may agree not to convene an IEP Team meeting for the purposes of making those changes, and instead may develop a written document to amend or modify the student's current IEP.

- b. If changes are made to the student's IEP in accordance with Paragraph A.4.a of this Section, the public agency shall ensure that the student's IEP Team is informed of those changes.

5. Consolidation of IEP Team Meetings. To the extent possible, the public agency shall encourage the consolidation of reevaluation meetings for the student and other IEP Team meetings for the student.

6. Amendments. Changes to the IEP may be made either by the entire IEP Team at an IEP Team meeting, or as provided in Paragraph A.4 of this Section, by amending the IEP rather than by redrafting the entire IEP. A parent shall be provided with a revised copy of the IEP with the amendments incorporated.

B. Review and Revision of IEPs.

1. Each public agency shall ensure that, subject to Paragraphs B.2 and B.3 of this Section, the IEP Team:

- a. reviews the student's IEP periodically, but not less than annually, to determine whether the annual goals for the student are being achieved; and

- b. revises the IEP, as appropriate, to address:

i. any lack of expected progress toward the annual goals described in §320.A.2, and in the general education curriculum, if appropriate;

ii. the results of any reevaluation conducted under §304;

iii. information about the student provided to, or by, the parents, as described under §306.A.2;

C. Failure to Meet Transition Objectives

1. Participating Agency Failure. If a participating agency, other than the public agency, fails to provide the transition services described in the IEP in accordance with §320.B, the public agency shall reconvene the IEP Team to identify alternative strategies to meet the transition objectives for the student set out in the IEP.

2. Construction. Nothing in these regulations relieves any participating agency, including Louisiana Rehabilitation Services, of the responsibility to provide or pay for any transition service that the agency would otherwise provide to students with disabilities who meet the eligibility criteria of that agency.

D. Students with Disabilities in Adult Prison

1. Requirements That Do Not Apply. The following requirements do not apply to students with disabilities who are convicted as adults under state law and incarcerated in adult prisons:

a. the requirements contained in Section 612(a)(16) of the IDEA and §320.A.6 (relating to participation of students with disabilities in general assessments);

b. the requirements in §320.B (relating to transition planning and transition services) do not apply with respect to the students whose eligibility under Part B of the IDEA will end, because of their age, before they will be eligible to be released from prison based on consideration of their sentence and eligibility for early release.

2. Modifications of IEP or Placement

a. Subject to Subparagraph D.2.b of this Section, the IEP Team of a student with a disability who is convicted as an adult under state law and incarcerated in an adult prison may modify the student's IEP or placement if the state has demonstrated a bona fide security or compelling penological interest that cannot otherwise be accommodated.

a. are involved in any decision about the student's IEP; and

1. the identification, evaluation, and educational placement of the student; and

2. the provision of a free appropriate public education to the student.

B. Parent Participation in Meetings

1. The parents of a student with a disability shall be afforded an opportunity to participate in meetings with respect to:

- a. the identification, evaluation, and educational placement of the student; and
- b. the provision of a free appropriate public education to the student.

2. Each public agency shall provide notice consistent with §322.A.1 and B.1 to ensure that parents of a student with a disability have the opportunity to participate in meetings described in Paragraph B.1 of this Section.

A meeting does not include informal or unscheduled conversations involving public agency personnel and conversations on issues such as teaching methodology, lesson plans, or coordination of service provision. A meeting also does not include preparatory activities in which public agency personnel engage to develop a proposal or response to a parent proposal that will be discussed at a later meeting.

§503. Independent Educational Evaluation (IEE)

A. General

1. The parents of a student with a disability have the right under these regulations to obtain an independent educational evaluation of the student, subject to Subsections B through E of this Section.

2. Each public agency shall provide to the parent, upon request for an IEE, information about where an independent educational evaluation may be obtained and the agency criteria applicable for independent educational evaluations as set forth in Subsection E of this Section.

3. For the purposes of this Chapter:

a. *Independent Educational Evaluation (IEE)*—an evaluation conducted by a qualified examiner who is not employed by the public agency responsible for the education of the student in question; and

b. *Public Expense*—that the public agency either pays for the full cost of the evaluation or ensures that the evaluation is otherwise provided at no cost to the parent, consistent with §103.

B. Parent Right to Evaluation at Public Expense

1. A parent has the right to an independent educational evaluation at public expense if the parent disagrees with an evaluation obtained by the public agency, subject to the conditions in Paragraphs B.2 through 4 of this Section.

2. Within a reasonable amount of time, and not longer than 15 business days, of a parent request for an independent educational evaluation at public expense, the public agency shall, without unnecessary delay, either:

a. file a request for due process hearing to show that its evaluation is appropriate; or

b. ensure that an independent educational evaluation is provided at public expense, unless the agency demonstrates in a hearing pursuant to §§507 through 513 that the evaluation obtained by the parent did not meet agency criteria.

3. If the public agency files a request for due process hearing and the final decision is that the agency's evaluation is appropriate, the parent still has the right to an independent educational evaluation, but not at public expense.

4. If a parent requests an independent educational evaluation, the public agency may ask for the parent's reason why he or she objects to the public evaluation. However, the public agency may not require the parent to provide an explanation and may not unreasonably delay either providing the independent educational evaluation at public expense or filing a request for due process hearing to defend the public evaluation.

5. A parent is entitled to only one independent educational evaluation at public expense each time the public agency conducts an evaluation with which the parent disagrees.

C. *Parent-Initiated Evaluations*. If the parent obtains an independent educational evaluation at public expense or shares with the public agency an evaluation obtained at private expense, the results of the evaluation:

1. shall be considered by the public agency, if it meets agency criteria, in any decision made with respect to the provision of FAPE to the student; and

2. may be presented by any party as evidence at a hearing on a due process request regarding that student under Chapter 5 of these regulations.

D. *Requests for Evaluations by Hearing Officers*. If a hearing officer requests an independent educational evaluation as part of a hearing on a request for due process hearing, the cost of the evaluation shall be at public expense.

E. Agency Criteria

1. If an independent educational evaluation is at public expense, the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, shall be the same as the criteria that the public agency uses when it initiates an evaluation, to the extent those criteria are consistent with the parent's right to an independent educational evaluation.

2. Except for the criteria described in Paragraph E.1 of this Section, a public agency may not impose conditions or

timelines related to obtaining an independent educational evaluation at public expense.

5. sources for parents to contact to obtain assistance in understanding the provisions of this chapter;

6. a description of other options that the IEP Team considered and the reasons why those options were rejected; and

7. a description of other factors that are relevant to the agency's proposal or refusal.

C. Notice in Understandable Language

1. The notice required under paragraph A of this section shall be:

a. written in language understandable to the general public; and

b. provided in the native language of the parent or other mode of communication used by the parent, unless it is clearly not feasible to do so.

2. If the native language or other mode of communication of the parent is not a written language, the public agency shall take steps to ensure that:

a. the notice is translated orally or by other means to the parent in his or her native language or other mode of communication;

b. the parent understands the content of the notice; and

c. there is written evidence that the requirements of Subparagraph C.2.a and b of this Section have been met.

D. If the notice relates to an action proposed by the agency that also requires parental consent under §301, the LEA may give notice at the same time it requests parental consent.

3. Except where the parties have jointly agreed to waive the resolution process or to use mediation, notwithstanding Paragraphs B.1 and 2 of this Section, the failure of a parent filing a due process request to participate in the resolution meeting shall delay the timelines for the resolution process and due process hearing until the meeting is held.

4. If the LEA is unable to obtain the participation of the parent in the resolution meeting after reasonable efforts have been made (and documented using the procedures in §322.D), the LEA may, at the conclusion of the 30-day period, request that a hearing officer dismiss the parent's request for due process hearing.

5. If the LEA fails to hold the resolution meeting specified in Subsection A of this Section within 15 days of receiving notice of a parent's request for due process hearing or fails to participate in the resolution meeting, the parent may seek the intervention of a hearing officer to begin the due process hearing timeline.

1. both parties agree in writing to waive the resolution meeting;

2. after either the mediation or resolution meeting starts but before the end of the 30-day resolution period, the parties agree in writing that no agreement is possible;

3. if both parties agree in writing to continue the mediation at the end of the 30-day resolution period, but later, the parent or public agency withdraws from the mediation process.

D. Written Settlement Agreement. If a resolution to the dispute is reached at the meeting described in Paragraphs

A.1 and 2 of this Section, the parties shall execute a legally binding agreement that is:

1. signed by both the parent and a representative of the agency who has the authority to bind the agency; and

c. a prevailing party who is the LDE or an LEA against the attorney of the parent or against the parent, if the parent's request for a due process hearing or subsequent cause of action was presented for any improper purpose, such as to harass, to cause unnecessary delay, or to needlessly increase the cost of litigation.

4. Except as provided in Paragraph C.5 of this Section, the court reduces, accordingly, the amount of the attorneys' fees awarded under Section 615 of the IDEA, if the court finds that:

a. the parent, or the parent's attorney, during the course of the action or proceeding, unreasonably protracted the final resolution of the controversy;

b. the amount of the attorneys' fees otherwise authorized to be awarded unreasonably exceeds the hourly rate prevailing in the community for similar services by attorneys of reasonably comparable skill, reputation, and experience;

c. the time spent and legal services furnished were excessive considering the nature of the action or proceeding; or

d. the attorney representing the parent did not provide to the LEA the appropriate information in the due process request notice in accordance with §508.

§518. Student Status during Proceedings

A. Except as provided in §533, during the pendency of any administrative or judicial proceeding regarding a request for due process hearing under §507, unless the state or local agency and the parents of the student agree otherwise, the student involved in the complaint shall remain in his or her current educational placement.

B. If the request for due process hearing involves an application for initial admission to public school, the student, with the consent of the parents, shall be placed in the public school until the completion of all the proceedings.

C. If the request for due process hearing involves an application for initial services for a child who is transitioning from Part C of the IDEA to Part B and is no longer eligible for Part C services because the child has turned three, the public agency is not required to provide the Part C services that the child had been receiving. If the child is found eligible for special education and related services under Part B and the parent consents to the initial provision of special education and related services under §301.B, then the public agency shall provide those special education and related services that are not in dispute between the parent and the public agency.

D. If the hearing officer in a due process hearing conducted pursuant to §§507-513 or §§530-534 agrees with the student's parents that a change of placement is appropriate, that placement shall be treated as an agreement between the state and the parents for the purposes of Subsection A of this Section.

§519. Surrogate Parents

A. General. Each public agency shall ensure that the rights of a student are protected when:

1. no parent (as defined in §905) can be identified;
2. the public agency, after reasonable efforts, cannot locate a parent;
3. the student is a ward of the state (including a ward of the court or of a State agency); or
4. the student is an unaccompanied homeless youth as defined in section 725(6) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(6)).

B.1. Procedures for determining whether a student needs a surrogate parent are contained in the Surrogate Parent Handbook and as follows:

2. procedures for assigning a surrogate parent shall be developed and implemented by each LEA.

C. Duties of Public Agency. The duties of a public agency under Subsection A of this Section include the assignment of an individual to act as a surrogate for the parents. This shall include a method:

1. for determining whether a student needs a surrogate parent; and
2. for assigning a surrogate parent to the student.

D. Wards of the State. In the case of a student who is a ward of the state, the surrogate parent alternatively may be appointed by the judge overseeing the student's case, provided that the surrogate meets the requirements in Subparagraph E.2.a and Subsection F of this Section.

E. Criteria for Selection of Surrogate Parents

1. The public agency may select a surrogate parent in any way permitted under state law.
2. Public agencies shall ensure that a person selected as a surrogate parent:
 - a. is not an employee of the LDE, the LEA, or any other agency that is involved in the education or care of the student;
 - b. has no personal or professional interest that conflicts with the interest of the student the surrogate parent represents; and
 - c. has knowledge and skills that ensure adequate representation of the student.

F. Non-Employee Requirement; Compensation. A person otherwise qualified to be a surrogate parent under Subsection E of this Section is not an employee of the agency solely because he or she is paid by the agency to serve as a surrogate parent.

G. Unaccompanied Homeless Youth. In the case of a student who is an unaccompanied homeless youth, appropriate staff of emergency shelters, transitional shelters, independent living programs, and street outreach programs may be appointed as temporary surrogate parents without regard to Subparagraph E.2.a of this Section, until a surrogate parent can be appointed who meets all of the requirements of Subsection E of this Section.

H. Surrogate Parent Responsibilities. The surrogate parent may represent the student in all matters relating to:

1. the identification, evaluation, and educational placement of the student; and
2. the provision of FAPE to the student.

I. LDE Responsibility. The LDE shall make reasonable efforts to ensure the assignment of a surrogate parent not more than 30 days after a public agency determines that the student needs a surrogate parent.

J. Any person appointed as a surrogate parent shall be protected by the "limited liability" provisions set forth in L.R.S. 17:1958.

§520. Transfer of Parental Rights at the Age of Majority

A. General. When a student with a disability reaches the *age of majority* as defined in §905 that applies to all students (except for a student with a disability who has been determined to be incompetent under state law), he or she shall be afforded those rights guaranteed at such age.

1.a. The public agency shall provide any notice required by these regulations to both the student and the parent; and

b. All rights accorded to parents under part B of the IDEA shall transfer to the student.

2. All rights accorded to parents under part B of the IDEA shall transfer to students who are incarcerated in an adult or juvenile, State or local correctional institutions; and

3. Whenever rights transfer under these regulations, pursuant to Paragraph A.1 or A.2 of this Section, the agency shall notify the student and the parents of the transfer of rights.

B. When a student with a disability reaches the age of majority but has not been interdicted or the subject of a tutorship proceeding, the student's parent may allege to the LEA that the student lacks the ability to provide informed consent with respect to his or her educational program. In the event that the parent makes such an allegation, the student has the right to dispute the parent's allegation, either orally or in writing, or by any other method of communication.

1. Any protest or objection to the parent's allegation shall result in the student's educational rights being transferred fully to the student at the age of majority, unconditionally. If the student makes no such dispute or objection, the parent shall retain the student's educational rights.

2. The student's position is final and unappealable; however, at any time the student may revoke his assent to his parents' retention of rights. Upon such revocation, the student's rights immediately vest with the student.

3. LEAs are required to document in the student's IEP that the parents and the student have been informed of the rights herein and that they have accepted or declined these rights. If the student and/or parent is unable to sign the appropriate section of the IEP reflecting this information, the IEP team may complete that portion of the IEP on behalf of the student and/or parent, reflecting each party's position and acknowledging that the student and/or parent is unable to sign.

§§521-529. Reserved

Subchapter B. Discipline Procedures for Students with Disabilities

§530. Authority of School Personnel

A. Case-by-Case Determination. School personnel may consider any unique circumstances on a case-by-case basis when determining whether a change in placement, consistent with the requirements of this section, is appropriate for a student with a disability who violates a code of student conduct.

B. General

1. School personnel under this section may remove a student with a disability who violates a code of student conduct from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension, for not more than 10 consecutive school days (to the extent those alternatives are applied to students without disabilities), and for additional removals of not more than 10 consecutive school days in that same school year for separate incidents of misconduct (as long as those removals do not constitute a change of placement under §536).

2. After a student with a disability has been removed from his or her current placement for 10 school days in the same school year, during any subsequent days of removal the public agency shall provide services to the extent required under Subsection D of this Section.

3. No form of corporal punishment shall be administered to a student with an exceptionality, excluding students identified as gifted and talented, as defined in R.S. 17:1942 or to a student who has been determined to be eligible for services under section 504 of the Rehabilitation Act of 1973 and has an individual accommodation plan.

4. *Corporal Punishment*—using physical force to discipline a student, with or without an object, and includes hitting, paddling, striking, spanking, slapping, or any other physical force that causes pain or physical discomfort.

5. Corporal punishment does not include:

a. the use of reasonable and necessary physical restraint of a student to protect the student, or others, from bodily harm or to obtain possession of a weapon or other dangerous object from a student;

b. the use of seclusion and restraint as provided in R.S. 17:416.21.

C. Additional Authority. For disciplinary changes in placement that would exceed 10 consecutive school days, if the behavior that gave rise to the violation of the school code is determined not to be a manifestation of the student's disability pursuant to Subsection E of this Section, school personnel may apply the relevant disciplinary procedures to students with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities, except as provided in Subsection D of this Section.

D. Services

1. A student with a disability who is removed from his or her current placement pursuant to Subsection C or G of this Section shall:

a. continue to receive educational services, as provided in §101.A, so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student's IEP; and

b. receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

2. The services required by Paragraphs D.1, D.3, D.4, and D.5 of this Section may be provided in an interim alternative educational setting.

3. A public agency is only required to provide services during periods of removal to a student with a disability who has been removed from his or her current placement for 10 school days or less in that school year, if it provides services to a student without disabilities who is similarly removed.

4. After a student with a disability has been removed from his or her current placement for 10 school days in the same school year, if the current removal is for not more than 10 consecutive school days and is not a change of placement under §536, school personnel, in consultation with at least one of the student's teachers, determine the extent to which services are needed as provided in §101.A, so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student's IEP.

5. If the removal is a change of placement under §536, the student's IEP Team determines appropriate services under Paragraph D.1 of this Section.

E. Manifestation Determination

1. Within 10 school days of any decision to change the placement of a student with a disability because of a violation of a code of student conduct, the LEA, the parent, and relevant members of the student's IEP Team (as determined by the parent and the LEA) shall review all relevant information in the student's file, including the student's IEP, the student's disciplinary and behavioral history and records, any available medical information related to behavior, any teacher observations, and any relevant information provided by the parents to determine:

a. if the conduct in question was caused by, or had a direct and substantial relationship to, the student's disability; or

b. if the conduct in question was the direct result of the LEA's failure to implement the IEP.

2. The conduct shall be determined to be a manifestation of the student's disability if the LEA, the parent, and relevant members of the student's IEP Team determine that a condition in either Subparagraph E.1.a or 1.b of this Section was met.

3. If the LEA, the parent, and relevant members of the student's IEP Team determine the condition described in Subparagraph E.1.b of this Section was met, the LEA shall take immediate steps to remedy those deficiencies.

F. Determination that Behavior was a Manifestation. If the LEA, the parent, and relevant members of the IEP Team make the determination that the conduct was a manifestation of the student's disability, the IEP Team shall:

1. either:

a. conduct a functional behavioral assessment, unless the LEA had conducted a functional behavioral assessment before the behavior that resulted in the change of placement occurred, and implement a behavioral intervention plan for the student; or

b. if a behavioral intervention plan already has been developed, review the behavioral intervention plan, and modify it, as necessary, to address the behavior; and

2. except as provided in Subsection G of this Section, return the student to the placement from which the student was removed, unless the parent and the LEA agree to a change of placement as part of the modification of the behavioral intervention plan.

G. Special Circumstances. School personnel may remove a student to an interim alternative educational setting for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the student's disability, if the student:

1. carries a weapon to or possesses a weapon at school, on school premises, or to or at a school function under the jurisdiction of the LDE or an LEA;

2. knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the jurisdiction of the LDE or an LEA; or

3. has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of the state or an LEA.

H. Notification. On the date on which the decision is made to make a removal that constitutes a change of placement of a student with a disability because of a violation of a code of student conduct, the LEA shall notify the parents of that decision, and provide the parents the procedural safeguards notice described in §505.

I. Definitions. For purposes of this section, the following definitions apply:

1. *Controlled Substance*—a drug or other substance identified under schedules I, II, III, IV, or V in section 202(c) of the Controlled Substances Act (21 U.S.C. 812(c)).

3. *Serious Bodily Injury*—the meaning given the term "serious bodily injury" under paragraph (3) of subsection (h) of section 1365 of title 18, United States Code.

A. General. The parent of a student with a disability who disagrees with any decision regarding placement under §§530 and 531, or the manifestation determination under §530.E, or an LEA that believes that maintaining the current placement of the student is substantially likely to result in injury to the student or others, may appeal the decision by requesting a hearing pursuant to §§507 and 508.A and B.

B. Authority of Hearing Officer

1. A hearing officer under §511 hears and makes a determination regarding an appeal under Subsection A of this Section.

2. In making the determination under Paragraph B.1 of this Section, the hearing officer may:

a. return the student with a disability to the placement from which the student was removed if the hearing officer determines that the removal was a violation of §530 or that the student's behavior was a manifestation of the student's disability; or

b. order a change of placement of the student with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of the student is substantially likely to result in injury to the student or to others.

3. The procedures under Subsection A and Paragraphs B.1 and 2 of this Section may be repeated, if the LEA believes that returning the student to the original placement is substantially likely to result in injury to the student or to others.

C. Expedited Due Process Hearing

1. Whenever a hearing is requested under paragraph A of this section, the parents or the LEA involved in the dispute shall have an opportunity for an impartial due process hearing consistent with the requirements of §§507, 508.A-C, and 510-514, except as provided in Paragraphs C.2 through 4 of this Section.

b. the due process hearing may proceed unless the matter has been resolved to the satisfaction of both parties

§534. Protections for Student not Determined Eligible for Special Education and Related Services

A. General. A student who has not been determined to be eligible for special education and related services under these regulations and who has engaged in behavior that violated a code of student conduct, may assert any of the protections provided for in these regulations if the public agency had knowledge (as determined in accordance with Subsection B of this Section) that the student was a student with a disability before the behavior that precipitated the disciplinary action occurred.

B. Basis of Knowledge. A public agency shall be deemed to have knowledge that a student is a student with a disability if before the behavior that precipitated the disciplinary action occurred:

1. the parent of the student expressed concern in writing to supervisory or administrative personnel of the appropriate educational agency, or a teacher of the student, that the student is in need of special education and related services;

2. the parent of the student requested an evaluation of the student pursuant to §§301 through 312; or

3. the teacher of the student, or other personnel of the LEA, expressed specific concerns about a pattern of behavior demonstrated by the student directly to the director of special education of the agency or to other supervisory personnel of the agency.

C. Exception. A public agency would not be deemed to have knowledge under Subsection B of this Section if:

1. the parent of the student:
 - a. has not allowed an evaluation of the student pursuant to §§301 through 312; or
 - b. has refused services under the IDEA; or

2. the student has been evaluated in accordance with §§301 through 312 and determined to not be a student with a disability under the IDEA.

D. Conditions that Apply if no Basis of Knowledge

1. If a public agency does not have knowledge that a student is a student with a disability (in accordance with Subsections B and C of this Section) prior to taking disciplinary measures against the student, the student may be subjected to the disciplinary measures applied to students without disabilities who engage in comparable behaviors consistent with Paragraph D.2 of this Section.

2.a. If a request is made for an evaluation of a student during the time period in which the student is subjected to disciplinary measures under §530, the evaluation shall be conducted in an expedited manner.

b. Until the evaluation is completed, the student remains in the educational placement determined by school authorities, which can include suspension or expulsion without educational services.

c. If the student is determined to be a student with a disability, taking into consideration information from the evaluation conducted by the agency and information provided by the parents, the agency shall provide special education and related services in accordance with the IDEA, including the requirements of §§530 through 536 and section 612(a)(1)(A) of the IDEA.

AUTHORITY NOTE: Promulgated in accordance with R.S.17:1941 et seq.

§535. Referral to and Action by Law Enforcement and Judicial Authorities

A. Rule of Construction. Nothing in these regulations prohibits an agency from reporting a crime committed by a student with a disability to appropriate authorities or prevents State law enforcement and judicial authorities from exercising their responsibilities with regard to the application of Federal and State law to crimes committed by a student with a disability.

B. Transmittal of Records

1. An agency reporting a crime committed by a student with a disability shall ensure that copies of the special education and disciplinary records of the student are transmitted for consideration by the appropriate authorities to whom the agency reports the crime.

2. An agency reporting a crime under this section may transmit copies of the student's special education and disciplinary records only to the extent that the transmission is permitted by the Family Educational Rights and Privacy Act.

§536. Change of Placement because of Disciplinary Removals

A. For purposes of removals of a student with a disability from the student's current educational placement under §§530 through 535, a change of placement occurs if:

1. the removal is for more than 10 consecutive school days; or

2. the student has been subjected to a series of removals that constitute a pattern:

- a. because the series of removals total more than 10 school days in a school year;
- b. because the student's behavior is substantially similar to the student's behavior in previous incidents that resulted in the series of removals; and
- c. because of such additional factors as the length of each removal, the total amount of time the student has been removed, and the proximity of the removals to one another.

B.1. The public agency determines on a case-by-case basis whether a pattern of removals constitutes a change of placement.

2. This determination is subject to review through due process and judicial proceedings.

2. as a last resort when de-escalation attempts have failed and the student continues to pose an imminent threat to self or others.

B. Seclusion shall not be used to address behaviors such as general noncompliance, self-stimulation, and academic refusal. Such behaviors shall be responded to with less stringent and less restrictive techniques.

C. A seclusion room shall be used only as a last resort and when less restrictive measures, such as positive behavioral supports, constructive and non-physical de-escalation, and restructuring of a student's environment, have failed to stop a student's actions that pose an imminent risk of harm.

D. A student shall be placed in a seclusion room only by a school employee who uses accepted methods of escorting a student to a seclusion room, placing a student in a seclusion room, and supervising a student while he or she is in the seclusion room.

2. Some portion of the funds reserved under Paragraph B.1 of this Section shall be used to carry out the following activities:

- a. for monitoring, enforcement, and complaint investigation; and

- k. to provide technical assistance to schools and LEAs, and direct services, including supplemental educational services as defined in section 1116(e) of the ESEA to students with disabilities, in schools or LEAs identified for improvement under section 1116 of the ESEA on the sole basis of the assessment results of the disaggregated subgroup of students with disabilities, including providing professional development to special and regular education teachers, who teach students with disabilities, based on scientifically based research to

improve educational instruction, in order to improve academic achievement to meet or exceed the objectives established by the state under section 1111(b)(2)(G) of the ESEA.

C. Local Educational Agency High Cost Fund. For the purpose of assisting LEAs (including a charter school that is an LEA or a consortium of LEAs) in addressing the needs of high need students with disabilities, the state has the option to reserve for each fiscal year 10 percent of the amount of funds the state reserves for other state-level activities under Paragraph B.1 of this Section in accordance with 34 CFR 300.704(c).

§705. Subgrants to LEAs

A. Subgrants Required. If the LDE receives a grant under §611 of the IDEA for any fiscal year, it shall distribute any funds the LDE does not reserve under §704 to LEAs (including public charter schools that operate as LEAs) in the state that have established their eligibility under §613 of the IDEA for use in accordance with Part B of the IDEA. Effective with funds that become available on July 1, 2009, the LDE must distribute funds to eligible LEAs, including public charter schools that operate as LEAs, even if the LEA is not serving any students with disabilities.

B. Allocations to LEAs. For each fiscal year for which funds are allocated to the LDE under §703, the LDE shall allocate funds as follows.

1. Base Payments. The LDE first shall award each LEA described in Subsection A of this Section the amount the LEA would have received under section 611 of the IDEA for fiscal year 1999, if the state had distributed 75 percent of its grant for that year under section 611(d) of the IDEA, as that section was then in effect.

2. Base Payment Adjustments. For any fiscal year after 1999:

a. if a new LEA is created, the LDE shall divide the base allocation determined under Paragraph B.1 of this Section for the LEAs that would have been responsible for serving students with disabilities now being served by the new LEA, among the new LEA and affected LEAs based on the relative numbers of students with disabilities ages 3 through 21 currently provided special education by each of the LEAs;

b. if one or more LEAs are combined into a single new LEA, the LDE shall combine the base allocations of the merged LEAs; and

c. if, for two or more LEAs, geographic boundaries or administrative responsibility for providing services to students with disabilities ages 3 through 21 change, the base allocations of affected LEAs shall be redistributed among affected LEAs based on the relative numbers of students with disabilities ages 3 through 21 currently provided special education by each affected LEA;

d. if an LEA received a base payment of zero in its first year of operation, the LDE must adjust the base payment for the first fiscal year after the first annual child count in which the LEA reports that it is serving any students

with disabilities. The LDE must divide the base allocation determined under Paragraph B.1 of this Section for the LEAs that would have been responsible for serving students with disabilities now being served by the LEA, among the LEA and affected LEAs based on the relative numbers of students with disabilities ages 3 through 21, or ages 6 through 21 currently provided special education by each of the LEAs. This requirement takes effect with funds that become available on July 1, 2009.

3. Allocation of Remaining Funds. After making allocations under Paragraph B.1 of this Section, as adjusted by Paragraph B.2 of this Section, the LDE shall:

a. allocate 85 percent of any remaining funds to those LEAs on the basis of the relative numbers of students enrolled in public and private elementary schools and secondary schools within the LEA's jurisdiction; and

b. allocate 15 percent of those remaining funds to those LEAs in accordance with their relative numbers of students living in poverty, as determined by the LDE.

C. Reallocation of Funds. If the LDE determines that an LEA is adequately providing FAPE to all students with disabilities residing in the area served by that agency with state and local funds, the LDE may reallocate any portion of the funds under these regulations that are not needed by that LEA to provide FAPE, to other LEAs in the state that are not adequately providing special education and related services to all students with disabilities residing in the areas served by those other LEAs. The LDE may also retain those funds for use at the state level to the extent the LDE has not reserved the maximum amount of funds it is permitted to reserve for state-level activities pursuant to §704.

1. After the LDE distributes funds under this part to an eligible LEA that is not serving any students with disabilities, as provided in paragraph A. of this section, the LDE must determine, within a reasonable period of time prior to the end of the carryover period in 34 CFR 76.709, whether the LEA has obligated the funds. The LDE may reallocate any of those funds not obligated by the LEA to other LEAs in the state that are not adequately providing special education and related services to all students with disabilities residing in the areas served by those other LEAs. The LDE may also retain those funds for use at the state level to the extent the LDE has not reserved the maximum amount of funds it is permitted to reserve for state-level activities pursuant to §704.

§803. Subgrants to LEAs

A. Subgrants Required. If the LDE receives a grant under §619 of the IDEA for any fiscal year, it shall distribute any funds the LDE does not reserve under §802 to LEAs (including public charter schools that operate as LEAs) in the state that have established their eligibility under §613 of the IDEA. Effective with funds that become available on the July 1, 2009, the LDE must distribute funds to eligible LEAs, including public charter schools that operate as LEAs, even if the LEA is not serving any children with disabilities.

B. Allocations to LEAs. For each fiscal year for which funds are allocated to the LDE under §703, the LDE shall allocate funds as follows.

1. Base Payments. The LDE first shall award each LEA described in Paragraph A of this Section the amount the LEA would have received under §619 of the IDEA for fiscal year 1999, if the state had distributed 75 percent of its grant for that year under §619(c)(3) of the IDEA, as that section was then in effect.

2. Base Payment Adjustments. For any fiscal year after 1999:

a. if a new LEA is created, the LDE shall divide the base allocation determined under Paragraph B.1 of this Section for the LEAs that would have been responsible for serving students with disabilities now being served by the new LEA, among the new LEA and affected LEAs based on the relative numbers of students with disabilities ages 3 through 5 currently provided special education by each of the LEAs;

c. if, for two or more LEAs, geographic boundaries or administrative responsibility for providing services to

students with disabilities ages 3 through 5 change, the base allocations of affected LEAs shall be redistributed among affected LEAs based on the relative numbers of students with disabilities ages 3 through 5 currently provided special education by each affected LEA; and

d. if an LEA received a base payment of zero in its first year of operation, the LDE must adjust the base payment for the first fiscal year after the first annual child count in which the LEA reports that it is serving any students with disabilities. This requirement takes effect with funds that become available on July 1, 2009.

C. Reallocation of Funds. If the LDE determines that an LEA is adequately providing FAPE to all students with disabilities ages 3 through 5 years residing in the area served by the LEA with state and local funds, the LDE may reallocate any portion of the funds under these regulations that are not needed by that LEA to provide FAPE to other LEAs in the State that are not adequately providing special education and related services to students with disabilities ages 3 through 5 residing in the areas served by those other LEAs. The LDE may also retain those funds for use at the state level to the extent the LDE has not reserved the maximum amount of funds it is permitted to reserve for state-level activities pursuant to §802.

1. After the LDE distributes funds to an eligible LEA that is not serving any students with disabilities ages 3 through 5, as provided in paragraph A. of this section, the LDE must determine, within a reasonable period of time prior to the end of the carry-over period in 34 CFR 76.709, whether the LEA has obligated the funds. §821. Responsibility for Services

A. In order to ensure that all services described in §822 that are needed to ensure FAPE are provided, including the provision of these services during the pendency of any dispute, the following requirements are imposed on LDE and DHH.

1. Agency Financial Responsibility. All relevant federal and State mandates apply. LDE and DHH, as obligated under federal or State law, shall use allocated federal, state and local funds to provide, pay, or otherwise arrange for services on the IEP that are necessary to ensure each eligible student receives a free appropriate public education (FAPE) as written on the IEP. The financial

responsibility for these services shall be governed by all pertinent federal and State laws, including but not limited to 20 U.S.C. §1400, et seq., 34 CFR Parts 300, 42 U.S.C. §1396, 42 CFR Part 430, LSA-R.S. 17:1941, et seq., and these regulations.

a. If DHH is otherwise obligated under federal or state law, or assigned responsibility under DHH policy or pursuant to 34 CFR §300.142 and 154 to provide or pay for any services that are also considered special education or related services (such as, but not limited to, services described in 34 CFR §300.6 relating to assistive technology devices, 34 CFR §300.34 relating to related services, 34 CFR §300.42 relating to supplementary aids and services, and 34 CFR §300.43 relating to transition services) that are necessary for ensuring FAPE to students with disabilities within the state, DHH shall fulfill that obligation or responsibility, either directly or through contract or other arrangement.

b. DHH may not disqualify an eligible service for Medicaid reimbursement because it is on an IEP or because that service is provided in a school context or any other setting that is a most integrated setting or least restrictive environment in order to provide a free appropriate public education. DHH is required to provide all eligible services to the same extent the individual would receive these services under federal and state law and regulation without eligibility for IDEA.

c. The financial responsibility of DHH shall precede the financial responsibility of the LEA or the state agency responsible for developing the student's IEP.

2. Conditions and Terms of Reimbursement. DHH will fund or provide services that are included on an IEP to the extent that such services are services that are funded or provided to individuals eligible under any federal or state program provided by DHH. If any program under the auspices of DHH fails to provide or pay for these special education and related services, the LEA and/or the LDE shall be responsible for providing or paying for these services. The LDE or the LEA will then claim reimbursement from DHH, having failed to provide or pay for these services. DHH is then required to reimburse the LEA or the LDE for the services that DHH is otherwise obligated to provide. DHH is required to fund or provide services that are included on an IEP to the extent that such services are services for which the individual is eligible under any federal or state program administered by DHH.

3. Interagency Disputes. Disputes relating to the provision of services pursuant to 20 U.S.C. §1400, et seq., and the Louisiana Education of Children with Exceptionalities Act, R.S. 17:1941, et seq., shall be addressed in the following manner:

a. if a family disputes the actions of an LEA, that family may either file a complaint with the LDE under the procedures described in §151 through 153 or a request due process hearing under the procedures described §§507 through 520;

b. if a family disputes the actions of DHH and that family or student is a client of or eligible for DHH services, that dispute may be addressed through the DHH appeals

process, as authorized in R.S. 46:107 or any other relevant State or federal statute or regulation;

c. if an LEA disputes the actions of the LDE, that LEA may file suit against the LDE only in the United States District Court for the Middle District of Louisiana or the Nineteenth Judicial District Court for the Parish of East Baton Rouge;

d. if an LEA disputes the actions of DHH, as a Medicaid provider, that LEA may appeal through the DHH appeal process, as authorized in R.S. 46:107 or any other relevant State or federal statute or regulation;

e. an interagency dispute between DHH and the LDE, which involves either program or financial responsibility, will be referred to the Superintendent of Education and the Secretary of the Department of Health and Hospitals for mediation. If the dispute cannot be resolved in mediation, it will be referred to the Office of the Governor for resolution. If a dispute continues beyond these interventions, either DHH or the LDE may seek resolution from a court of competent authority.

f. during the pendency of any dispute, a student's LEA bears full responsibility for program and/or financial obligations, to ensure that the student's IEP is implemented fully and that the student is receiving FAPE. If the LEA is unable or unwilling to provide FAPE, the LDE is responsible for those program and/or financial obligations.

4. Coordination of Services Procedures. The LDE and DHH shall coordinate services to students with disabilities by complying with procedures that are specific to each agency, including, but not limited to, the following procedures.

a. The LDE bears the following responsibilities:

i. maintain the Child Find system under part B of IDEA, specifically, the identification, location, and evaluation of students from 3 through 21 years of age who are suspected of having a disability;

ii. provide DHH with a listing of its primary contacts and service description for the Child Find system on a school district basis for DHH to make available to its regional and local offices;

iii. ensure that each eligible student will receive a timely, appropriate multidisciplinary evaluation. In order to reduce the duplication of effort, services, and paperwork; the LEAs will implement a policy to ensure evaluations conducted by programs in DHH are utilized in the multidisciplinary evaluation of students suspected of being a student with a disability and in the reevaluation of students;

iv. ensure that each eligible student with a disability receives a free appropriate public education (FAPE) in accordance with an IEP. FAPE includes special education and related services;

v. ensure that each eligible student has an IEP developed and implemented in accordance with IDEA;

vi. monitor the provision of services on IEPs through assurances with LEAs; and

vii. monitor the implementation of the IEP and assure that resources necessary for the implementation of services on the IEP will be made available through federal or State funds.

b. DHH bears the following responsibilities:

i. provide access to medical services offered by DHH through application for such services at DHH office locations in all regions of the state where the student currently reside. The student shall meet the eligibility criteria for the medical services for which the student is applying. Establishing eligibility and need for services is the responsibility of DHH;

ii. DHH shall not reduce the medical services which it would be required to provide to a student with a disability solely because those services are included in the IEP;

iii. refer students to the LEA upon suspicion of a disability. DHH personnel will share available information on students receiving joint services from the LDE and DHH with the proper written consent;

iv. provide information at the consent and request of a parent; and

v. ensure that a student with a disability can access Medicaid services for which the student is eligible. DHH policy and procedures shall not preclude an LEA from enrolling as a provider in the Medicaid program.

AUTHORITY NOTE: Promulgated in accordance with R.S.17:1941 et seq.

HISTORICAL NOTE: Promulgated by the Board of Elementary and Secondary Education, LR 34:2086 (October 2008).

§822. Obligations of DHH

A. If DHH is otherwise obligated under federal or state law, or assigned responsibility under state policy or pursuant to §§819 through 823, to provide or pay for any services that are also considered special education or related services (such as, but not limited to, services described in §905 relating to assistive technology devices, assistive technology services, related services, supplementary aids and services, and transition services) that are necessary for ensuring FAPE to students with disabilities within the state, DHH shall fulfill that obligation or responsibility, either directly or through contract or other arrangement.

B. DHH may not disqualify an eligible service for Medicaid reimbursement because that service is provided in a school context.

C. If DHH fails to provide or pay for the special education and related services described in paragraph A of this section, the LEA (or state agency responsible for developing the student's IEP) shall provide or pay for these services to the student in a timely manner. The LEA or State agency may then claim reimbursement for the services from DHH, having failed to provide or pay for these services, and DHH shall reimburse the LEA or State agency in accordance with these regulations.

AUTHORITY NOTE: Promulgated in accordance with R.S.17:1941 et seq.

HISTORICAL NOTE: Promulgated by the Board of Elementary and Secondary Education, LR 34:2087 (October 2008).

§823. General Provisions Governing DHH and LDE's Responsibilities

A. Confidentiality of Information. In accordance with federal and state law, information on a student's disability is confidential. For the purposes of identification, location, evaluation, development, and implementation of the IEP; information and records on mutually served students may be exchanged between the LDE and DHH with the written,

informed consent of the parent(s) of each student. The method of exchanging information may be electronic or written. When a specific student or family is identified, the exchange shall be written with proper consent obtained.

B. Ancillary Agreements. Regional and/or local agreements may be developed and implemented between the respective programs within the LDE and DHH for the purposes of determining and identifying interagency coordination to promote the coordination of services and the timely and appropriate delivery of services to each eligible student and family. The services may be provided either directly or through a contract or other arrangement. These agreements are considered binding for the programs under the auspices of the LDE and DHH only after written approval of such regional or local agreements by the Secretary of DHH and the state Director of Special Education in the LDE, respectively.

C. Joint Coordination and Monitoring. DHH and LDE are required to develop jointly state level annual goals that are based on needs/data. DHH and LDE are required to evaluate jointly the overall effectiveness of these goals. Each department is required to designate a liaison at the state level to coordinate the activities and monitor the compliance of these regulations. Each agency is required to appoint an interagency committee to review and evaluate the effectiveness of these regulations, facilitate their implementation, and make recommendations for revisions as deemed appropriate.

D. Modifications to these Requirements. As the lead agency for implementation of the Louisiana Education of Children with Exceptionalities Act and the Individuals with Disabilities Education Act in Louisiana, the LDE is the sole agency with authority to promulgate regulations pursuant to those statutes and no modification to these requirements shall be made by any other agency by regulation, policy, or otherwise, without the express written consent of the LDE.
